March 2018

Message from the President

Barbara French-Lee, SDBC President

This past weekend our club had their annual visit to the Bonsai-A-Thon at the world renowned Huntington Gardens. Other than at bonsai conventions this is the time bonsai enthusiasts in Southern California can:

- learn from the many bonsai teachers that live and teach here;
- have an opportunity to purchase bonsai from raw material to well designed trees;
- find pots, soil components and tools for our bonsai; and
- enjoy the company of others who appreciate the art and science of bonsai.

As this year continues you will have many opportunities to take your bonsai to the next level with our excellent teachers, presenters, classes and workshops.

We have an exciting few months ahead with our Spring Show and Sale that brings guests from the Los Angeles area to join us for dinner, the San Diego County Fair booth and presentations, and a great trip to the Bristle Cone National Forest. There are so many activities in which to participate and I hope you can join us in those areas of interest to you. We love your help and the addition you make to the bonsai family.

Next Meeting: 3/11

David Nguy

Darryl Elmer, SDBC 1st VP

In March **David Nguy** will honor us with a demonstration on wiring techniques. **David Nguy** is well known for his skills and advanced techniques and has been a headliner for many bonsai conventions. **David** studied under well-known bonsai artists like **Harry Hirao**, **Ben Oki**, **Ernie Kuo**, as well as **Masahiko Kimura** in Japan. **David** now travels the United States teaching advanced bonsai techniques at various clubs.

At last year's convention **David** stressed the importance of learning good wiring technique. Good wiring technique

February Program in Review

Darryl Elmer, SDBC 1st VP

In February, two of our long time San Diego Bonsai Club members **John Jackson** and **Glenn Jensen** shared their knowledge of deciduous trees with our club. They helped us to understand the special needs of deciduous trees at this key time of the year when the rapid growth of spring is just around the corner. They taught us how to properly manage the trees' growth and develop the ramification that is such an important part Bonsai design. **Glenn** and **John** brought several of their own trees and discussed the techniques that they used to develop them. Throughout the demonstration, **John** and **Glenn** answered many questions for members of the club. We are very fortunate to have these two experienced members as part of our club and appreciate their willingness to share their knowledge with us.

Other Bonsai Activities

- March 24th - 25th - Bay Area Bonsai Associates 37th Annual Exhibition. Oakland CA.
- March 24th - 25th - Tucson Bonsai Society 46th Annual Exhibition. Tucson AZ.
- April 6th - 7th - [GSBF Clark Bonsai Collection](#) fund raiser. 7775 N. Friant Rd., Fresno CA.
- April 14th - 15th - [American Bonsai Association Spring Show](#). 3330 McKinley Blvd, Sacramento CA.
- April 14th - 15th - [San Jose Betsuin Bonsai Club](#) 47th Annual Spring Exhibit. 640 N. 5th St, San Jose CA.
- April 14th - 15th - [Santa Cruz Bonsai Kai](#) 30th Annual Bonsai Show. 705 Front St, Santa Cruz CA.
- April 19th - 22nd - [Gateway to Bonsai](#), Collinsville, IL.
- April 21st - 22nd - [Kusamura Bonsai Club](#) 58th Annual Show. 1305 Middlefield Rd, Palo Alto CA.
- May 4th - 5th - [Sacramento Bonsai Club](#) 72nd Annual Show. 2401 Riverside Blvd, Sacramento CA.

Thank you, Marty Mann, for being here...

*'lyn Stevenson,
SDBC Liason to the Safari Park Bonsai Pavillion*

Marty Mann would have celebrated his 95th birthday on March 26th, 2018, but, sadly, he passed away on February 9th. His three children, **Mitch**, **Lori**, and **Harriet**, all live in California and have been with **Marty** quite a bit during the last months but **Marty** was truly missing **Ruth** who had preceded him in death about eight months earlier.

Marty is well known to the Bonsai communities in California and in other places in the world. His popular book, "[Bonsai Ideas: A Lifetime of Bonsai Secrets Revealed](#)", published in 2005, has been a resource in many bonsai classes even though it has gone out of print. **Marty** wrote many regular articles for the Golden State Bonsai Federation's "Golden Statements" (his regular column: "Seasonal Statements") and for other bonsai clubs' newsletters for many years.

Marty was a generous person with his time, talent, and resources.

He was the son of an opera singer father but **Marty** had a flair for writing and chose to share his bonsai avocation with print. As a World War II army veteran, especially in the European theatre, he later moved from Chicago to California and became active with **Warren Hill** at the Descanso Bonsai Club. Then, he became active with California Bonsai Society and **John Naka**, and the Golden State Bonsai Federation. After retirement, he and **Ruth** moved to San Diego and he became most active with the San Diego Bonsai Club, San Pu Kai, and the Bonsai Pavilion at the Zoo's Safari Park. He continued to use his professional talents in many support and advisory areas as individual clubs' auditor, treasurer, teacher, writer etc., for many years.

Marty was a very kind gentleman, supportive of family, friends, and students. He and **Ruth** hosted exchange students from Europe. He enjoyed camaraderie and humor and especially good-natured teasing from all. His spirit of helpfulness knew no bounds!

Thank you **Marty** for sharing your beautiful life with us. We will remember and try to emulate some of your wonderful traits!

SDBC Education:

Bill Graham, SDBC VP of Education

Welcome to March. The year is moving along. Those who went to Bonsai-A-Thon last month has a great time! There were fantastic demonstrations and lots of good material available. The grounds were beautiful as always and though the day started chilly it turned in to a perfect Southern California day! I saw several of our beginners on the trip and I hope everyone who went was able to get some new and interesting material to work on.

Beginning Classes:

This is the third and final class with your elm. In this class you will be doing some final wiring, learning about soils for bonsai and repotting your tree in a bonsai pot. I imagine by now most everyone has leaves on their deciduous tree. It's fun to see your tree going from sticks to a tree with leaves, and beginning to look like a little bonsai.

Our second beginning class of the year starts next month, April, with the second and third classes in June and July (we skip May as we have our meeting and picnic at the Japanese Friendship Garden). There are currently four (4) spots still available. They will sell out quick so get them while you can! The class will be taught by our own Past President **Dan Sola**! You will be working on Olives (*Olea europaea*). This will be a great class!

New members are always excited about taking the Beginners Classes, and several have asked to be put on a waiting list for the next class. If you are a new member please note that sign-up sheets for all classes and workshops are first available at the Bonsai Club meeting TWO months before the classes/workshops are held. We do not start a waiting list until after the sign-up sheet has been put out at the meeting and filled.

Intermediate Skills Workshops

March - JBP

We will again have our own master of the Japanese black pine, **Fred Miyahara**, presenting a workshop. This class is limited to 8 people. **Fred** will provide an excellent black pine to work on and will bring his many years of experience and training to help guide you to your own future masterpiece.

April - Shimpaku Junipers

We have a rare and exciting treat for April. **Tak Shimazu** will be our featured speaker for the month. As an added bonus, **Tak** will also lead a workshop in the afternoon with some really outstanding shohin shimpaku junipers. These trees came from **Tak's** garden and are really outstanding material. **THIS WORKSHOP WILL BE HELD IN THE AFTERNOON, AFTER THE MEETING.**

June - Procumbens nana

John Voss will be leading a workshop on some nice Procumbens nana. **John** has been working these trees for some time and they are very good material, ready to be styled. The sign-up sheet will be at the April meeting. The cost is \$50.00

Reminder

A reminder that all beginning classes, workshops and skills classes are taught from 8:30 am to 10:15 am (unless a time change is specified) on club meeting days at Balboa Park. Also, don't forget to bring any trees that you would like some help or advice on from our excellent bonsai masters at the club. Help is located in the back of Room 101 to the right of the stage.

If you have any ideas that can improve our programs or have skills that you would like to share please contact **me** at the monthly meeting or at wfgraham3rd@gmail.com.

Fred Miyahara demonstrating grafting technique at the February workshop.

Update from the Japanese Friendship Garden

Glenn Jensen, JFG Bonsai Curator

We have action at the JFG bonsai growing area. **Bob Hale** is heading up a committee composed of **Barbara French Lee**, **Nancy Wilson-Ramón**, **Dennis Wagner**, **John Jackson** and **Glenn Jensen**. **Charlie Mosse** has also given helpful insights. We have a plan in place and **Bob** is working on a presentation to the JFG Board of directors to discuss our present and future with The Garden. San Diego Bonsai Club is proud of being part of the The Garden and Balboa Park. Also, a big thank you to **Bob Hale** and **Dennis Wagner** for their construction skills & time as we continue work on the nursery.

Upcoming Events

The **May Meeting for SDBC** will be held at The Garden. You will hear an update about this in the April Bonsai Wire.

The Garden typically works with SDBC volunteers to assist with it's **July Summer Camp**. Usually SDBC has helped teach young campers to prune their own juniper tree bought from a nursery, or demonstrate on an existing old tree, whatever the group size and budget allows. Traditionally this workshop has been on three Wednesdays in July. More information about this is to come.

Recent Projects at The Garden

Charlie Mosse

#1: The Nana parent plant & removed airlayer. The pot for the airlayer was too flexible to secure by normal means. The rim is very stiff so 4.5mm wire was used in 4 places to secure the tree to the rim. The wire is oversized/stiff. The tree did not move. The top branch & the branches at the left fork will be airlayered at 3-4 more spots to remove excess branching & make a few trees for fun.

#2: The removal site was trimmed made smooth by **Glenn** and then sealed.

#3: **Glenn** and **Kumiko** removing soil from the top of the root ball of the Texas cedar elm, *Ulmus crassifolia* (a very hardy tree used in Texas, Oklahoma, Arkansas and Louisiana).

#4: Not much root was attached, so the removal was minor.

#5: The previous owner did an excellent job, over many decades, of keeping the roots properly trimmed. Therefore there were no surprises like large roots, old soil, root rot or circling roots.

What a great Bonsai-a-thon!

San Diego Bonsai Club Spring Show

Abe Far, VP Special Projects

Our Club Spring Show is on Saturday, April 28th and Sunday, April 29th. We are open to the public on Saturday and Sunday from 10:00 am to 5:00 pm, starting on Thursday afternoon for set up. On Friday, we bring our trees both for show and for sale. We need security, cashiers for plant sale, greeting crew at the door and membership table volunteers. We will have signup sheets at the registration table at the March and April Meeting. Do not hesitate! Believe me, we don't require any expertise.

Volunteers Needed!

I saw some of you have already signed up. Thank you! Lots of spaces are still blank. Please check the sign-up sheet and help us in any way you can

I would also encourage everybody to sign up your bonsai beauties for the show. If you have never shown a tree, this is the time. If you have a tree that you are unsure about, bring it to the March meeting and we will make a suggestion.

On Saturday evening, we will have a social party for club members and our guests from Southern California clubs. Please sign up if you are participating.

On Sunday, we will be open from 10:00 am to 5:00 pm to public visitors. After 5:00 pm, we need lots of help to take down the show.

This is our show and I would like that all the club members get involved and enjoy the show.

Make our show another success.

Thank You!

We appreciate the refreshments that were donated for the February meeting by the following:

Jenny Chin, Abe Far and Christina Vargas, Susan Hull, John and Margaret Jackson, Jaya Kaelberer, Shirley Kavanaugh, Joan Nies, Clare Roberts, 'lyn Stevenson.

Many thanks to those who donated items for the February raffles:

Alice Alvarez, Jenny Chin, Abe Far and Christina Vargas, John and Margaret Jackson, Gary Jones, Jaya Kaelberer, Shirley Kavanaugh, Mori Kumiko, Merle Lambeth, Harlan and Mary Ann Price, Michael Shelly, Dan Sola, 'lyn Stevenson, John Voss, Dave Woodall.

SAN DIEGO BONSAI PAVILION

SAFARI PARK

At our February 17th workday, we took time out from our bonsai and garden chores for a short meeting of the volunteers. We wanted to remember our dear volunteer, **Marty Mann** (see the special obit. article in this issue of Bonsai Wire). **Marty** wanted us to have another fundraiser and he had asked his family to provide the bonsai tapestry that hung in their home for a raffle. We will pursue that idea and announce plans shortly. We also want to remember **Marty** in a celebration of his many Pavilion contributions later when the Pavilion is reopened. We also discussed future Pavilion projects:

- more back drops,
- improved bonsai tables/stands,
- ground coverings for the bare surfaces,
- staining of the perimeter walls,
- tools that are still needed,
- clearing more of the hillside's weedy shrubbery,
- improved landscaping of the hillside by the waterfall, etc.

February Pavilion volunteers included:

Neil Auwarter, Donna Carter, Julia Chow, Cathy & Mark Edgar, Bob Hale, Sonya Holmquist, John Jackson, Jaya Kalberer, Jim Kirchmer, Charlie & Sylvia Mosse, Janet & Ron Palmer, Sally Prestele, Ron Roberts, Yoichiro (Mori) Suemori, 'Iyn Stevenson, Dennis Wagner, Dave Woodal.

Refreshments were provided from our refrigerator supply and from **Cathy, John, Sylvia**, and **'Iyn**. Thank You all!

Cementing of the river rocks continued in February. That

task is almost at its conclusion. Hurrah and thanks to the special crews who may prefer suiseki projects in the future! The warm weather in January brought out much new growth especially on the deciduous bonsai so clipping and light pruning was a huge activity. Hillside

clearing was also time consuming and very necessary. Our volunteers always come through!!!

Mori doing some maintenance on a Japanese Black Pine that is under the care of Dennis Wagner. Tree maintenance is ongoing especially since the warm "winter" we have had. Thank goodness for the several weeks of normal weather to slow down the trees.

'Iyn Stevenson, SDBC Liaison to the Safari Park Bonsai Pavillion

The new location of the Pavilion's front gate. The front pond has been built. We just need to tie in the old stream bed with the new pond.

John Jackson and Dennis Wagner, (you guessed it) mortaring in more river rocks. This is almost done. Then we can start putting the river environs back to normal.

RIP Ben Oki

David Nguy will be the guest presenter at the March 11 meeting.

is one of the most important skills that anyone interested in bonsai can develop and is a critical part of bonsai development. How you wire your trees can make the difference between an average tree and a show winning bonsai.

In addition to the presentation, there will be morning and afternoon hands-on, bring your own tree clinics on wiring with **David** and **June**. Space is still available so don't miss this opportunity to learn or improve your wiring technique with the expert guidance of **David Nguy**. If you are interested in attending either clinic, please contact **Darryl Elmer** to sign up.

Mr. Oki was a respected and loved American bonsai pioneer, teacher and friend to countless bonsai enthusiasts. **Mr. Oki** was curator of the Huntington Botanical Gardens bonsai collection. Written before his passing on the Huntington's blog:

"When **Ben Oki** first saw a bonsai tree as a curious youngster of six, he asked his father what bonsai was. 'It's something people do when they retire,' his father explained. Luckily for the world of horticulture, Oki didn't wait that long to start. The curator of the bonsai collection at The Huntington, **Oki** is one of the world's leading masters of the art of bonsai. Trained under the tutelage of legendary master **John Naka**, **Oki** has devoted more than four decades to the art and has received so many honors as a teacher himself that several prestigious awards bear his name, including the **Ben Oki** International Design Award sponsored by the Bonsai Clubs International..."

Ted Matson a bonsai artist and student of **Ben Oki** wrote... "Sorry to announce the passing of **Ben Oki** this Friday from a heart attack. We lost a great American bonsai master who faithfully served in the shadow of his sensei, **John Naka**, but was a top artist in his own right with a sense of style and technical skill that made huge impact in more ways than we all realize. I know that he was very influential in my bonsai career and it's a personal honor to help carry on his legacy at The Huntington."

A memorial for Mr. Oki will be held on March 9 at 11:00 am. 12371 Braddock Dr., Culver City, CA 90230

Ben Oki, curator of the bonsai garden at The Huntington.

Upcoming Trip: Nisei Week in LA, August 18, 2018

Abe Far, VP Special Projects

The club is having a bus Trip to the 78th Annual Nisei Week, Japanese Festival in Little Tokyo Los Angeles, Saturday, August 18th 2018.

We will visit Little Tokyo and Green Products in the City of Industry City in the morning, followed by the House of Bonsai in the afternoon. The bus leaves San Diego 8:00 am and Carlsbad 8:30 am, and will come back to San Diego 8:00 pm, maybe sooner.

The cost of the trip is \$40 per person. You may pay **Abe Far** at the club meeting or sign up on the club website: www.sandiegobonsaiclub.com.

Upcoming Programs

Darryl Elmer, SDBC 1st VP

April

In April, we will have **Tak Shimazu** here for a presentation and work shop. **Tak** studied under Southern California bonsai experts **John Naka** and **Harry Hirao** in the 1980s. He has since returned to Japan to hone his skills as a student under bonsai masters there. **Tak Shimazu** has been a headliner at the Golden State Bonsai Federation convention and is considered to be an expert with pines and junipers. Before his demonstration, **Tak Shimazu** will lead a workshop for our members.

May

On May 20th, we will hold a fund raiser at the Japanese Friendship Garden in Balboa Park. Please note that this is not our normal meeting week as Mother's Day falls on the second Sunday this year. More details about this event will be provided in the future.

July

In July, we will have **Ted Matson** working with warm weather varieties like Crape Myrtle, Bougies, Olives and Ficus. More details to come.

August

In August, **Jonas Dupuich** returns to continue his presentation on reverse engineering quality trees to learn how to select better nursery trees, pre-bonsai and bonsai. Selecting quality trees is not as easy as it appears but is very fundamental to getting off to a good start.

Membership Update

Keith Carter, SDBC VP of Membership

New members

Please welcome new members **Claudia Robinson**, **Rosemary Mulvaney**, **Jeanean Eberhardt**, **Steve Koeller**, **Deborah Mauzy-Melitz**, **Suzanne Johnson**, **Rudy Gastelum**, **Sally & Stephen Dischinger** and **Rick Hodgetts**.

Membership renewal time

The March 11 meeting is the final deadline for renewing your memberships for 2018. Keep your membership current by going online (sandiebobonsaiclub.com) to renew or by paying in person at the meeting.

Remember, you are not eligible to participate in club activities, including classes, trips, etc., unless your membership is current.

This handmade bonsai-themed tapestry (5'W x 6'H) has been donated to the Pavilion by the Mann family on behalf of Marty. It will be on display at the Spring Show, and we will sell the first round of raffle tickets on behalf of the Pavilion. The tapestry winner will be selected at the Pavilion Reopening later in the year."
